Since 2005, Karen Amlaw Music (KAM) has been offering quality music instruction to students from MetroWest and beyond. Proud to be recognized by HulaFrog as the area's Most Loved Music Lessons for the past two consecutive years, KAM now has offerings for young musicians as well as the young at heart – age 4 to adult – in bass, guitar, piano, ukulele, violin, and voice. In addition to private lessons KAM offers Kids on Keys for 4 – 8 year olds and Intro. to Singing with age appropriate music for 2<sup>nd</sup> through 5<sup>th</sup> graders.

KAM's over 130 students include multiple young artist competition winners, district and all-state

musicians, members of music theater and opera casts, and more. Multiple students of KAM's director Karen Amlaw have been top prize winners in their divisions multiple years at the Young Artist Piano Competition in Westfield, Mass. One of KAM's voice instructors laid the foundation for the career of the winner of a national opera competition in 2015.

KAM's instructors have over 150 combined years of experience in the industry as both performers and music educators. Making music is their passion – they take pride in passing on such joys to their students. They are frequently sought after to adjudicate festivals and scholarship / young artist competitions throughout the state and have performed throughout the world in venues from local sporting events to Symphony Hall, Carnegie Hall, the Kennedy Center, and more – often sharing the stage with fellow nationally and internationally acclaimed artists.

Dedicated to supporting the best musical experience, in every studio

KAM students have the opportunity to learn on regularly maintained pianos from some of the finest makers in the world including Steinway, Mason & Hamlin, and a beautifully rebuilt Ivers & Pond baby grand.

A proud supporter of the arts and education in central Mass, KAM sponsors top prizes in the piano and vocal categories for Worcester Schubertiade's Annual Classical Idol Competition for high school and college students, as well as supporting the Westborough Fine Arts Education Association and several other school programs in neighboring towns.

In addition to recitals for current

students, KAM also hosts Community Showcases and sponsors family concerts by such groups as the Worcester Chamber Music Society. Our Community Showcases are performance opportunities for KAM graduates, their neighbors and friends, and anyone else in the MetroWest community who wants to come share their talents – like open mic, but in an intimate setting without the mic. Just a couple more ways KAM gives back and contributes to the Arts in MetroWest and beyond.
